

Dear Parent/Caregiver,

Junior Scholastic® is a magazine I'd like to get for every student in my class. Each issue teaches them important current events and social studies lessons with engaging and age-appropriate articles I know your teen will be excited to read.

In every issue, we'll read and write about national and international news events, **developing the critical-thinking and analytical skills your child will need in school and beyond.**

With your contribution, we'll get **16 issues** that your child can bring home and share with you. **Your family will also get access to the *Junior Scholastic* website and iPad® app featuring fun educational activities and videos.**

Your help in making this valuable resource a part of your child's education is greatly appreciated. Please send cash or a check made payable to *Junior Scholastic* in the amount of \$9.34 (\$8.49 plus shipping and handling), so that we can start using the magazine as soon as possible.

Thank you for your continued support in helping me make your child's education meaningful and successful.

Sincerely,

Detach here and return to your child's teacher.
